**PRAYER DIRECTIVES (Week #3)**

During this **Third week of prayer**, we are directing our prayer to the topic of “**National & Personal Transformation.**” This area of prayer is very broad; however, the spirit of God will direct your prayers beyond that which is listed in these directives.

**Transformation:** a thorough or dramatic change in form or appearance; to change (something) completely and usually in a good way; Spiritual transformation is a fundamental change in a person's sacred or spiritual life; the process by which God forms **Christ's character** in believers by the ministry of the Spirit, in accordance with biblical standards. This process involves the transformation of the whole person in thoughts, behaviors, and styles of relating with God and others. It results in a life of service to others and witness for Christ.

1. Firstly, take time to do a personal introspection. The definition of introspection is self-examination, analyzing yourself, looking at your own personality and actions, and considering your own motivations. Examine your own conscious thoughts and feelings. Identify and deal with those internal obstacles that prevent or hinders consistent spiritual growth. Psalms 26:2, I Corinthians 11:28, II Corinthians 13:5
2. God is primarily concerned with transforming the whole person, not just patterns of behavior. Submit your whole self to the process of transformation. Romans 12:2, Ephesians 4:24, Psalms 34:6
3. Pray that God will reveal to you your identity in Christ so that you can pursue a lifetime of growth, and so that your total being will give glory to God. Once identified, seek God for direction. Pray “Lord, make me a vessel of honor, usable in your service.”
4. Pray that our nation will be transformed through the dominance of the Jesus culture. Pray that true Christians will rise to places of affluence and magnify holiness and the truth of the Gospel.
5. Pray for the President of the United States, both the Senate and the House of Representatives, the Supreme court judges, and staff, members. Pray a God encounter for each of them, that will bring about personal and corporate transformation of their minds and actions.
6. Pray for the people of this nation! Let the Holy Ghost pour out of you the heart of God for His people.
7. Pray for a transformation within the people of the name. Pray holiness, integrity, and all of the characteristics of Christ will be found in each of us.
